Advertisements.—The VERMONT DAILY TRANSCRIPT has the largest circulation in St. Albans in Franklin County, of any daily paper, and at that account, if no other, the best medium advertising.

Local Items.

Interesting matter, original or not, may always be found on the first page.

OUR DAILY.—Those wishing to secure copies of our daily paper can do so at Orrifield's and Baker's bookstores, at all of our carriers, and at the office. Copies of our weekly paper may also be had at these places.

THE BUTTER MARKET.—There was much stir in the butter market today. The ruling price was 40 cents per pound, and some lots sold as high as 50 cents. 1264 tubs were shipped.

A good improvement—lowering the rating at the head of Lake Street.

THE ST. ALBANS BRIGADE BAND gave citizens some excellent music last night which was highly enjoyed. The brigade band is one of the institutions St. Albans and deserves to be well sustained.

Ability Recognized.

EDITORIAL TRANSCRIPT: In your report yesterday of the State Jr. I noticed a Diploma was granted "Water Wheel." I think that means, and it must have been granted in consideration of the correspondence on a late "Bill board." If I am correct, please request them to forward the Diploma to me at St. Albans.

WATER WHEEL.

George Gilbert, a Frenchman living in Georgia, was held for trial by Justice Luman today, and sent to jail in default of \$100 bail, on a charge of stealing pairs of shoes from a car load, a part of which was destroyed by fire at Roxbury, on the 3rd of August. Seven and half pairs were found in his possession, and he acknowledged taking the ten pairs, but denied that he meant to steal them.

THE CROSSINGS.—We must again protest against teams being allowed to block the crossings of streets. It is a burning shame, and it is singular that the proper authorities do not take measures to prevent it. The other day we saw a lady attempt to get from one side of Lake Street to the other on a crossing, and all to no purpose. It was blocked by a double team, and she was obliged to seek a round-about way in the mud.

DISTRESSING ACCIDENT.—We learn from the *Newswatch* that, on Saturday morning of last week, as John C. Fisk, of Hon. Clark Fisk, of Hydepark, was attempting to drive a vicious bull, owned by a neighbor, from his lot, he was furiously attacked by the animal, and so severely bruised as to cause an internal rupture which the physicians must prove fatal. Mr. Fisk is about years of age, is a brother of the wife

Capt. A. L. Carleton, of Montpelier, and one of the most intelligent and enterprising farmers in Lamoille County.

PROF. CARNES, the blind musician, is to give a concert in Burlington tomorrow evening.

MRS. SALOME FLETCHER, sister-in-law of Gov. Ryland Fletcher, died in Cavendish on the 6th inst., aged 85 years.

ACCIDENT AT NORTHELD.—A young man named Donahue, employed in the Northfield State Works, had his leg caught in the machinery Monday morning, and it was so badly crushed that amputation became necessary. Dr. S. W. Thayer, of Burlington, who was sent for, successfully performed the operation.

FINE HORSES.—The *Burlington Times* says that, Col. L. B. Platt, of that city, shipped to New York, Saturday evening, a splendid pair of black geldings, 16 hands high, weighing 2,200 lbs. They were purchased for the Hon. Henry J. Raymond of the *Times*, and we believe the price paid was about \$2,000.

DANCING AND DEPORTMENT.—Prof. A. C. Barry, of Troy, N. Y., will open a 10 o'clock class, in Fashionable Dancing for Masters, and Misses and Young Ladies in St. Albans on Thursday, Sept. 17th at 5 o'clock P. M. in W. N. Smith's Hall. Instruction in this class, will consist of the most stylish Round Dancing Quadrilles. A large number of figures of the German, together with Etiquette and general deportment.

A NAME THAT SUITED.—The following incident of the Montpelier election is said to be authentic:

A stalwart negro, who had been a contraband during the war, took the Freeman's oath, and advanced to the polls to deposit his ballot, as he had a perfect right to do, being a native born citizen, in distinction from a carpet-bagger from Ireland or "Yankee." As Cuffee advanced to the polls, the Democratic bystanders raised the cry of "How are you Reconstruction?" &c. Cuffee said nothing until the clerk asked him his name, to record it, when he modestly answered, "Robert E. Lee." The Republicans laughed, and asked the Democracy whether the "nigger" hadn't got a good "orthodox" Seymour and Blair name. The Democracy are very willing that white rebel Robert E. Lee should vote, but don't appear to like black loyal Robt. E. Lee.

FRESHET.—The late heavy rains to the south of us have done much damage, especially in the vicinity of Whitehall, and along the line of the Rensselaer and Saratoga Railroad. Wood Creek had overflowed its banks and the water yesterday was pouring through the streets of Whitehall. The water was two feet deep in the tunnel, and the track of the railroad in many places was submerged to a depth of six feet. At Whitehall twelve cows and thirteen or fourteen sheep had been swept away. At Fort Ann it had washed away a portion of the bank to the canal on what is called the twelve mile level, and at Fort Edward it had destroyed the aqueduct. The uptrain from Saratoga on Saturday afternoon, containing an excursion party of Sunday scholars from Rutland, when near Fort Ann, ran into a culvert that had been gullied out by the water, and the engine and baggage car were completely wrecked. Two persons were very badly hurt, but no lives lost. The passengers had to remain there until boats could be procured, when the train was towed by means of ropes back to Fort Ann, and the passengers embarked for Comstock's Landing and from thence to Whitehall, where they remained over Sunday. There were no trains yesterday over the Rutland and Whitehall and Saratoga and Rensselaer Railroads, and from Whitehall, South, the road will not be in running order for a week to come.

The "Oliver Bascom," while rounding the Elbow a little below Whitehall, on Sunday morning, was banked by the strong current, and her rudder so injured that she will not resume her trips until Thursday.—*Burlington Times*.

JOHN MORRISSEY.—Congressman Morrissey has found a champion in the *New York Star*, which says:

Mr. Morrissey is a fitting and worthy representative of the Fifth District. He has served in Congress with respectability. He has gained reputation by his service, both as a man of honor and a man of sense. His votes were all in accordance with the policy of his party. Why, then, should he not be re-nominated by the Democracy of the Fifth District? If he is, he will be re-elected, of course.

FULTON MARKET.—Just received, a nice lot Dried Beef, Sugar Cured Hams, Bologna Sausage, Sweet Potatoes, Tomatoes, Peas, Peaches, Water Melons and Musk Melons. dtf-94.

The palm of superiority is awarded to Mrs. S. A. Allen for her Improved (new style) Hair Restorer or Dressing, (in one bottle), and a grateful public appreciates the very low price, One Dollar. Every Druggist sells it. 4w

THE DIFFERENCE.—One of the chief points of difference between civilized and barbarous mankind is the attention given to the natural covering for the head—the one being carefully cut, cleaned, and brushed, and the other allowed to remain dirty and unkempt. The use of "Barrett's Vegetable Hair Restorative" will ensure all that could be desired by civilization or ignored by barbarism.—*Boston Post* dtw

A STARTLING TRUTH.—Thousands die annually from neglected coughs and colds, which soon ripen into consumption or other equally fatal diseases of the lungs; when, by the timely use of a single bottle of Wistar's Balsam of Wild Cherry, their lives could have been preserved to a green old age.

Every family needs to keep in the house something that will cure head-ache, toothache, ague pains, lameness, bruises, cramps, and other kinds of pain and suffering, and what is there so good as Renne's Pain-Killing Magic Oil.
